NSCID File  
ER-O-6681

30 September 1949

MEMORANDUM FOR: Assistant Director for Collection and Dissemination  
Assistant Director for Operations  
Assistant Director for Special Operations  
Assistant Director for Scientific Intelligence  
Assistant Director for Policy Coordination

SUBJECT: Proposed Revision to NSCID Number 1

1. It is possible that the Director may propose to the National Security Council that NSCID No. 1 be revised to strengthen his position and that of CIA.

2. ORE has submitted the enclosed draft of 12 August 1949. Although this has not been coordinated outside of CIA, and although the Coordination Staff feels sure that it will not be 100% acceptable to the other agencies, we should like to have the comments of the other offices within CIA before using this as a basis for possible negotiations with the Standing Committee or otherwise outside of CIA.

3. It would be appreciated, therefore, if you would look it over and let us have any comments you care to make within a week.
